## A WALK IN THE PARK FALL PHOTOGRAPHY

Tamron's Jillian Bell is back to focus on fall. Join us for this hands-on class featuring photo walks in two Hartford area parks. Take advantage of a selection of loaner lenses to practice on technique. Shoot side by side with Jillian where she will provide tips and tricks for macro photography, foliage photography, even some architecture. Live feedback will be available during the lunch critique, where we will return to Camera Bar to regroup and refuel.
