TANZANIA PHOTO SAFARI

Workshop with Erica Robinson & Ken Hubbard

Join Erica & Ken from Tamron USA on a Photo Safari Workshop to Tanzania

Join Tamron professional photographers Erica Robinson and Ken Hubbard on a once in a lifetime photographic journey to Tanzania. A place where you will be surrounded by incredible scenery, diverse wildlife, and beautiful cultures. Our travels will begin in the city of Arusha, then moving on to Tarangire National Park, through the Southern Serengeti and Ndutu Plains for the great wildebeest migration, and ending in West Kilimanjaro. We will be making stops along the way to visit with local tribes, including participating in a sunrise hunt with the Hadzabe bushmen, distributing solar lights with the Datoga, and a full day with the Maasai.
