*Educational Purchase Price (EPP) is based on current Tamron Minimum Advertised Pricing (MAP). The Tamron EDU purchase program allows only this EPP rebate above to be claimed plus any applicable event bonus rebate in effect at time of purchase. If you purchase a lens on sale (lower than MAP), the rebate amount will subtract that value from this rebate amount. The EPP price is set at the above value. Lenses not on this EPP form do not have an Educational Purchase Price at this time.
